

MONDAY, JULY 26, 2010
PARK COMMISSION PUBLIC MEETING
BERKSHIRE VALLEY GOLF COURSE
JEFFERSON TOWNSHIP
MORRIS COUNTY, NEW JERSEY
PUBLIC HEARING FOR A
FINAL APPLICATION FOR A MAJOR DIVERSION AT
MAHLON DICKERSON RESERVATION

PLEASE TAKE NOTICE The Morris County Park Commission will present an application for a major diversion of parkland at a Public Hearing to be held on Monday, July 26, 2010 at 7:30 PM at the Berkshire Valley Golf Course, 28 Cozy Lake Road, Jefferson, New Jersey 07438. The Public Hearing will be held as part of the Morris County Park Commission Meeting. The Major Diversion Application is for the construction of a portion of an overhead electric transmission line as a part of the Roseland to Susquehanna Overhead Electric Transmission Project. One of the properties to be crossed is a 5.53 acre site, designated as Block 320, Lot 9; an additional property to be crossed is an 11.0 acre site, designated as Block 335, Lot 4 on the Township of Jefferson, Morris County, New Jersey tax map. PSE&G is proposing the new line to comply with a directive from PJM Interconnection, L.L.C. (PJM) in order to ensure continued compliance with the regional electric transmission reliability. In constructing the proposed project, PSE&G is strengthening its regional power supply, and ensuring continued power to consumers during partial system failures.

Any interested party may appear at said hearing and participate therein according with the rules of the Morris County Park Commission. Should you be unable to attend, written comments may be submitted to the Morris County Park Commission by August 9, 2010. Please send all correspondence to:
